

TEC Automation Product Catalog

TEC Automation Solutions is a Chennai-based industrial automation company offering advanced, reliable, and cost-effective solutions. We are authorized partners of CRG Robotics and several leading fluid coupling technology providers.

We offer a wide range of automation products including EOAT systems, quick couplings, and pneumatic components. Our goal is to empower Indian industries with world-class products that improve efficiency and reduce costs.

Product Portfolio

- End-of-Arm Tooling (EOAT)

Modular robotic grippers, vacuum systems, tool changers, and handling components for all robot brands.

- Fluid Quick Couplings

Multi-fluid couplers for pneumatic, hydraulic, and thermal systems. Leak-free, robust, and efficient.

- Pneumatic Components

Cylinders, valves, air prep units, and fittings for factory automation.

- Automation Solutions

Turnkey systems, retrofits, EOAT integration, PLC panels, vision systems, and more.
